

# CURRICULUM VITAE

---

## PERSONAL INFORMATION

Name PD Dr. med. Anja Lachenmayer

---

## EDUCATION & MEDICAL TRAINING

1982–1986 Grundschule Kampstraße, Lemgo, Germany  
1986–1995 Anette-von-Droste-Hülshof Gymnasium Gelsenkirchen, Germany (Final degree: „Abitur“)  
11/1995–06/2003 Medical School, University of Hamburg (Degree 3<sup>rd</sup> state examination)  
12/1998–12/2005 Medical Doctor (Experimental Thesis at the Department for General- and Visceral Surgery and the Department for Hepatobiliary and Transplant Surgery, University Hospital Hamburg-Eppendorf, Germany) „*Influence of Gingko Biloba Extract (EGB 761) on the reperfusion injury after warm ischemia of the healthy and fatty rat liver.*“  
10/2008-08/2011 Postdoctoral Fellowship, Mount Sinai Liver Cancer Program / Prof. JM Llovet, Mount Sinai School of Medicine, New York, USA  
05/2012 Board Exam General Surgery  
10/2013 Venia legendi for Surgery at the Department of General-, Visceral- and Pediatric Surgery, University Hospital Düsseldorf, Germany: “*New molecular approaches for the diagnosis, prognosis and therapy of hepatocellular carcinoma.*”  
06/2021 Specialization “Visceral Surgery”  
05/2022 Venia legendi for Surgery at the Department of Visceral Surgery and Medicine, University Hospital Bern, Switzerland

---

## RESIDENCY

09/2003-09/2007 Resident, Department of General-, Visceral- and Pediatric Surgery, University Hospital Düsseldorf, Germany (Director: Prof. Dr. med. Wolfram Trudo Knoefel)  
09/2007-09/2008 Maternal Leave  
09/2011-03/2012 Resident, Department of Trauma- and Handsurgery, University Hospital Düsseldorf  
03/2012-05/2012 Resident, Department of General-, Visceral- and Pediatric Surgery, University Hospital Düsseldorf, Germany (Director: Prof. Dr. med. Wolfram Trudo Knoefel)

---

## STAFF SURGEON

06/2012-01/2015 Department of General-, Visceral- and Pediatric Surgery, University Hospital Düsseldorf, Germany (Director: Prof. Dr. med. Wolfram Trudo Knoefel)  
Since 02/2015 Department of Visceral Surgery and Medicine, University Hospital Bern, Switzerland (Director: Prof. Dr. Dr. Daniel Candinas)

---

## FUNDING

10/2000–10/2001 Werner Otto Thesis Scholarship for medical students at the University of Hamburg  
10/2008–12/2010 Postdoctoral Fellowship Grant of the German Research Foundation (DFG)  
07/2010–07/2011 Translational Grant Mount Sinai School of Medicine, NY, USA  
06/2017 Swiss Transplant Cohort Study: Genome-wide association study (GWAS) of single nucleotide polymorphisms in patients with recurrent hepatocellular carcinoma (HCC) after liver transplantation.  
01/2022 Krebsliga Schweiz Predictive value of modern magnetic resonance imaging techniques with regard to tumour grading, microvascular infiltration and outcome in patients with newly diagnosed hepatocellular carcinoma (Co-Applicant)  
08/2022 Samson Charity Stiftung: Genome-wide association study (GWAS) of single nucleotide polymorphisms in patients with recurrent hepatocellular carcinoma (HCC) after liver transplantation

---

## CLINICAL TRIALS

AMGEN 20140299 Study "A Phase 1b Study of Talimogene Laherparepvec in Combination With Atezolizumab in Subjects With Triple Negative Breast Cancer and Colorectal Cancer With Liver Metastases", Sub-investigator – visceral surgery

ILOC Phase II study of immunotherapy plus local tumor ablation (RFA or stereotactic radiotherapy) in patients with colorectal cancer liver metastases, local PI

Feasibility Study for ultrasound-based navigation for non-anatomical liver resections, PI

MK-3475-937, Adjuvant Therapy with Pembrolizumab versus Placebo for patients with hepatocellular carcinoma after complete response following surgical resection or ablation (KEYNOTE-937), local PI

---

## MEMBERSHIPS

2001 - 2016 German Society for Surgery  
2011 - 2016 German Society for General- and Visceral Surgery  
Since 2015 International Liver Cancer Association (ILCA)  
Since 2016 Swiss Association for the Study of the Liver (SASL)  
Since 2017 Swiss Society for Surgery (SGC)  
Since 2017 European Association for the Study of the Liver (EASL)  
Since 2021 Swiss Society for Visceral Surgery (SGVC)

---

## CURRENT REVIEWER POSITIONS

Clinical Cancer Research  
Journal of Hepatology  
Abstracts Reviewer for ILC / EASL 2020/21/22

---

## OTHER (ACADEMIC) ACTIVITIES

Since 2021 Council Member Swiss Association of the Study of the Liver Disease (SASL)  
2018/19 and 2019/2020 Mentor for the *Womentoring* program  
2019 Member of the appointment commission for telemedicine, responsible for "Equal opportunity"  
2013-2015 Member of several appointments commissions, University Düsseldorf, Germany  
2013-2015 Member of the medical doctorate committee, University Düsseldorf, Germany  
2011-2015 Medical examiner ("Vertrauensärztin), Department of General-, Visceral- and Pediatric Surgery, University Hospital Düsseldorf, Germany

---

## LANGUAGES

German (mother tongue)  
English (fluently)  
French (basic knowledge)
